

LOCAL TOUR CHECKLIST

Manufacturers Tour Guide

Thank you for opening your doors to students during the Minnesota Manufactured Statewide Tour of Manufacturing. By showcasing advanced manufacturing, you are helping inspire the next generation of manufacturing talent. To help you create a memorable and successful event, we've created this checklist of best practices.

7-10 DAYS BEFORE THE TOUR

- ☐ Encourage the teacher(s) to use award-winning Minnesota
 Manufactured resources to help prepare students for the tour.
 These free resources can be used before or after the tour to
 enhance outcomes. All are available at dreamitdoitmn.com.
 - Teacher Guide: a customizable 80-page curriculum resource recommended for students grades 6-12 that can be downloaded from mnmfg.org/educators/teacher-guide/
 - Manufacturing Career Tool: a short, career assessment tool that matches aptitudes to various manufacturing careers.

Send the teacher company brochures, your website address, and any other materials that will help the students learn about your company.

- Use our letter template to write a letter to parents, telling them about your company and what students will experience at the tour. Share the letter with the teacher and ask that it be sent home with students. (Template available on the Host page at mnmfg.org/statewidetour/).
- ☐ Communicate any safety needs or clothing expectations (e.g. closed toe shoes) to the teacher so the teacher can inform students.

DAY OF THE TOUR

- Provide lunch for your employees in a private area on the day of the tour so they can have a break while working the open house.
- ☐ Set out a sign and brightly colored balloons in the front business entry. Ramp it up by having greeters at the front door.
- ☐ Make sure your tour space is ready. Have tour guides ready at their stations to talk and demonstrate their work.
- ☐ If possible, break students into small groups when you take them through the tour to increase their engagement.
- ☐ If you are hosting a self-guided tour, mark the pathway with brightly-colored tape and provide a map that notes highlights of the tour.
- ☐ Set up a table with career information, employment applications, and Dream It. Do It. Minnesota brochures.
- ☐ Display a TV monitor showing the Minnesota

 Manufactured career video and your company video on an
 endless loop. Make both available in a hospitality room.

 Provide snacks and have a few key employees on hand to
 answer follow-up questions.

AFTER THE TOUR

- Follow-up with a thank you to the students and teacher(s) for coming.
- Survey your employees who worked the open house event to obtain their feedback, noting what went well and what could be done to improve the event next year.
- Use the Dream It. Do It. Minnesota Adopt-A-School Guide to keep engaging with schools after the tour. (Available at dreamitdoitmn.com.)
