

Mentoring to Support Designing and Launching of New Data Science Career Pathways at Community Colleges

GOAL To prepare students in technician education programs for employment in big data careers by supporting community colleges as they develop new data programs aligned to industry needs and expectations.

PROMISING PRACTICES

- Mentoring
- Defining emerging occupations
- Tested program development tools
- Community of Practice

Mentor Colleges

- James Polzin, Normandale CC**

- Paul Hansford, Sinclair CC**

- Michael Harris, Bunker Hill CC**

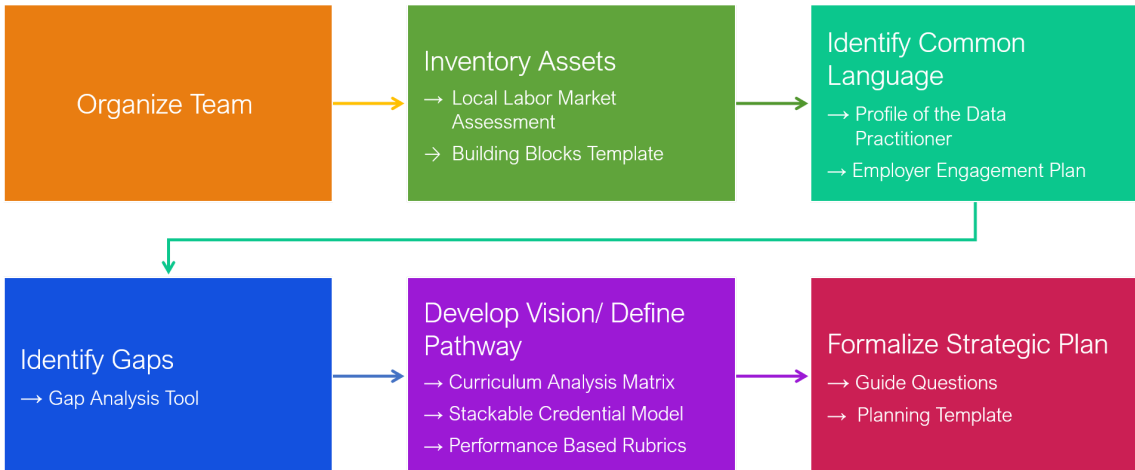

Mentee Colleges

- Del Mar College, Texas**
 - Phillip Davis
- Green River College, Washington**
 - Kendrick Hang
- Harford CC, Maryland**
 - Pamela Pape-Lindstrom
- Nashville State CC, Tennessee**
 - Robert Tudor
- Bridgerland Technical College, Utah**
 - Mason Lefler
- Honolulu CC, Hawaii**
 - Wayne Lewis
