

Upward Bound Workshop Agenda – Humanitarian GIS – Catherine DuBreck

February 23, 2022 11AM-12PM

Introduction

- who I am, why I'm talking to the students today

What is GIS?

- ask students if they can think of examples of geospatial technology (google maps, etc.)
- quick overview of what it is

Humanitarian GIS volunteering

- explain how this is done
- talk about mapswipe app on phone
- talk about youthmappers
- talk about HOT and mapathons
 - show them the website/tasks
 - demo

MCC AAS in GIST

- talk about new program
- talk about how it can turn into a job
