

Data Analytics Survey

The National Science Foundation grant provides funding to design courses to be taught at the high school level as part of a new seamless pathway from High School to College in Data Analytics. Sinclair will be providing training to teachers, hosting data competitions for students, and providing data courses and modules you can add to your existing curriculum.

Please complete the survey below to let us know your interest in being part of this project.

* Required

1. Your school name and city *

2. Name (First, Last) *

3. Your preferred contact email *

4. As part of this grant, we are creating mini-career and data skills modules. Our goal is to encourage students to pursue a career in data. Would you be interested in adding career modules to your existing curriculum? *

Mark only one oval.

Yes

No

Perhaps, but I need more information

As part of the grant, we have developing 3 new courses for high school students: Data Literacy, Python, and Introduction to Data Science. These are in addition to our current offerings.

5. How interested would you be in teaching the Data Literacy course or offering it at your high school? *

Mark only one oval.

- Highly interested
- Somewhat interested
- Not interested

6. How interested would you be in teaching the Python course or offering it at your high school? *

Mark only one oval.

- Highly interested
- Somewhat interested
- Not interested

7. How interested would you be in teaching the math course "Introduction to Data Science" or offering it at your high school? *

Mark only one oval.

- Highly interested
- Somewhat interested
- Not interested

8. Would you be interested in creating a student team for a data competition to be held next school year? "DataFest"

Mark only one oval.

- Yes
- No
- Perhaps, but I need more information

9. Thank You for completing this survey. Would you like someone from Sinclair to contact you with more information? We have flyers with detailed information on upcoming events, and how you can earn CEUs and a stipend for your participation.

Mark only one oval.

- Yes
- No
- Unsure
